

# Panel for Technopark security soon

Special Correspondent

**THIRUVANANTHAPURAM:** A committee will be appointed to ensure the security of the Technopark campus at Kazhakuttam, home to over 100 information technology and business process outsourcing companies.

Technopark chief executive officer (CEO) Mervin Alexander said here on Tuesday that the committee would be appointed soon. He was addressing a seminar organised on the campus to discuss security issues.

CEOs of various companies and security officials participated in the seminar. T.V. Sreekumar, chief security officer, Cochin Refineries, led the discussions.

Mr. Alexander said follow-up action would be initiated soon on the decisions relating to security.
